**Attachments:** white paper - final.pdf

Paper by ExxonMobil (XTO) that talks about risk. My buddy had mentioned they were doing an internal report so this is the first I've seen of it. John Veil did a white paper summarizing the presentations. Keara gave a short talk at this conference.

Link to presentations on the GWPC website: <http://www.gwpc.org/events/gwpc-proceedings/2013-uic-conference>

Attached is white paper prepared by John Veil
